Where I can buy some food – markets & drugstores in the town centre:

Bigger supermarkets are out of the town center:

The map shows the town of České Krumlov with a yellow route highlighted. The route starts at the center and goes towards the outskirts, passing through a 'Retail Park' and 'Budejovická' street. Five supermarket locations are marked with red pins and labeled A through E. A zoomed-in view of the town center is shown in the bottom left, with a purple box highlighting the area around the town center.
