Where I can buy some food?
Markets & drugstores in the town centre:

There are small shops in the city center

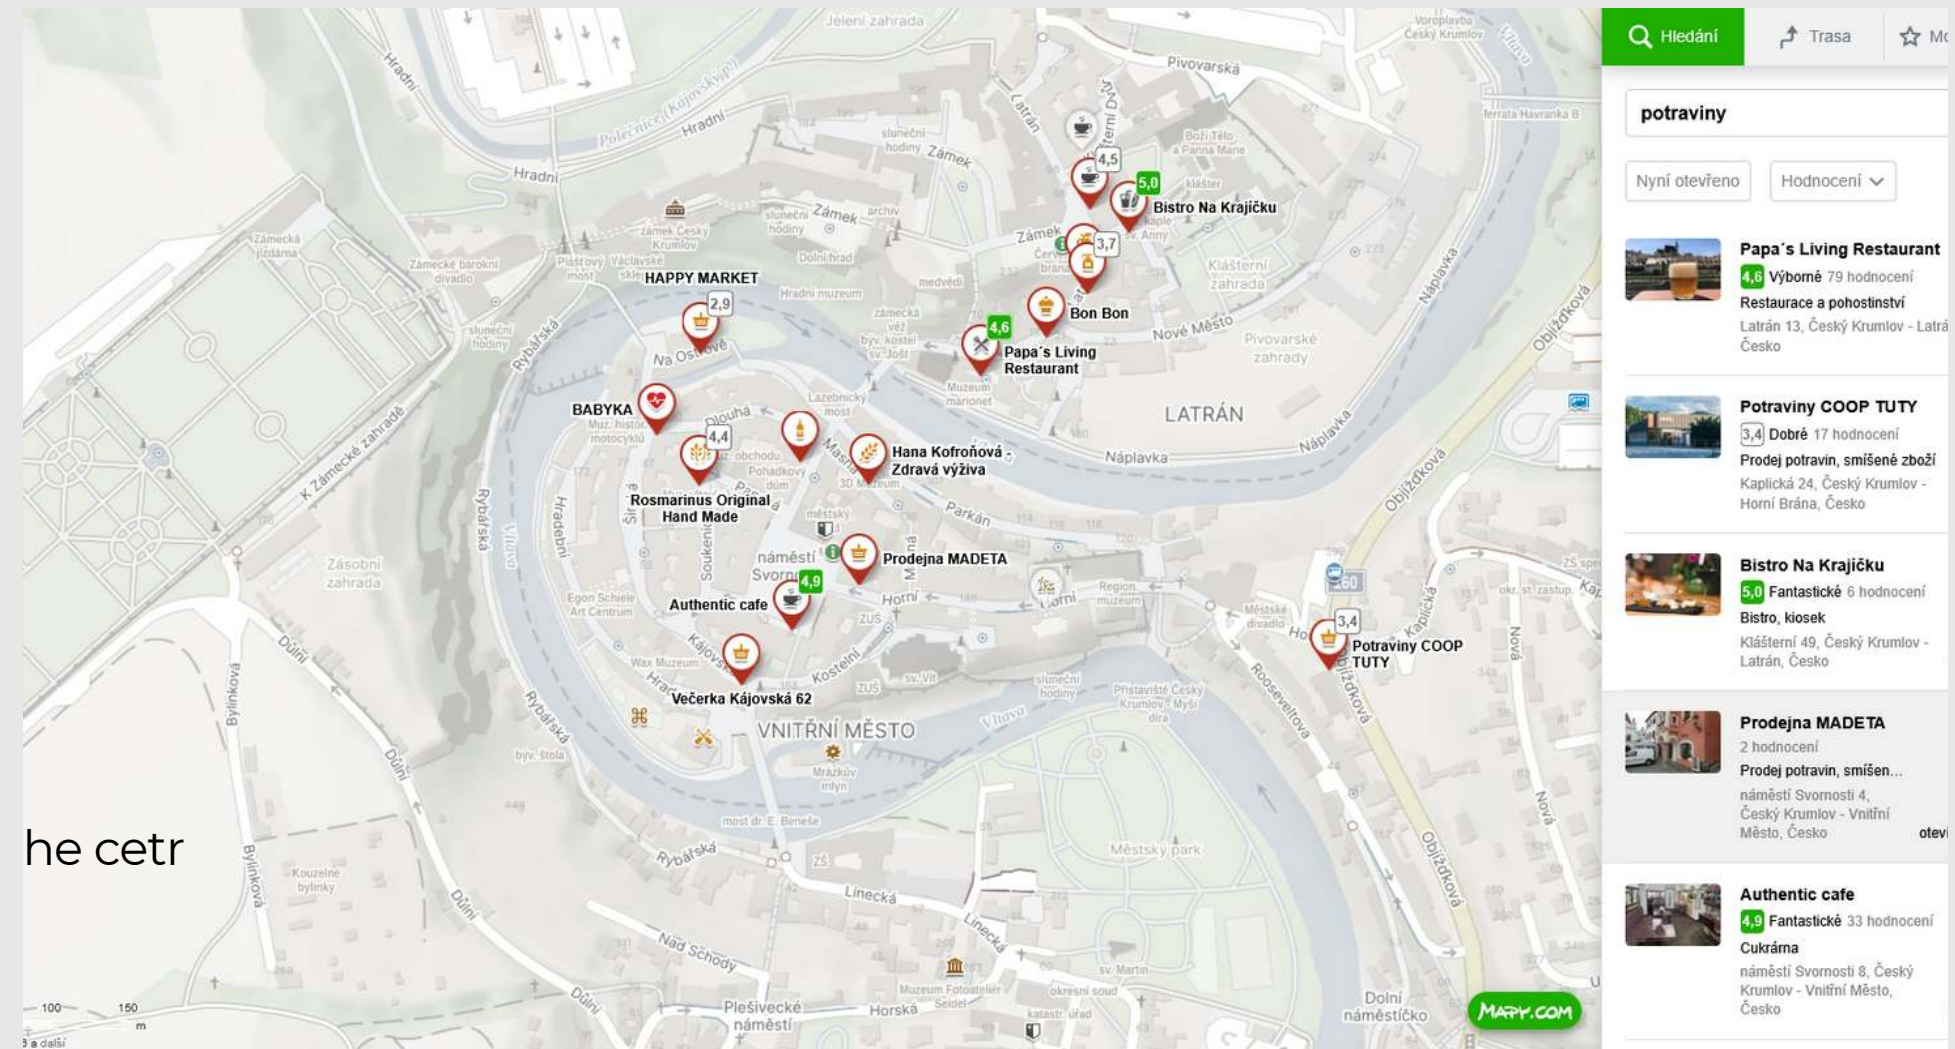

In the center on Latrán Street there is a
drugstore TETA

Bigger shops are further from the center (take a taxi
or bus), but Penny Market is not far, Josie likes to
shop there, maybe she'll take you there with her :-)

Pharmacies are about 900 meters from the square
at the hospital and polyclinic

You can also buy essential medicines in
supermarkets
